

PREVENTIVE MEASURES AGAINST COVID - 19

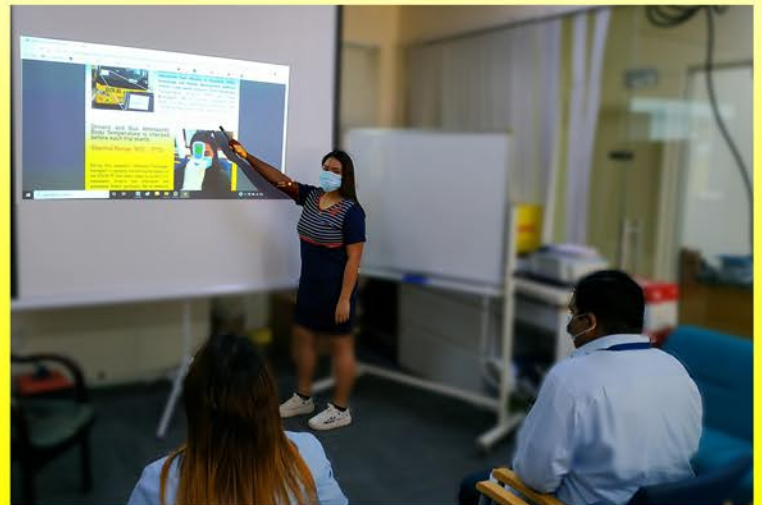

We Are Ready.

Our school buses are clean, disinfected and ready for ride. Keeping our students educated and well aware of the new normal is important for everyone's safety.

Maverick Passenger Transport strictly adheres to the standards and protocols issued by the Dubai Authorities.

Everyone's Health And Safety Is Our Top Priority

Maverick Passenger Transport strictly adheres to the standards and protocols issued by the Dubai Authorities. We are closely monitoring up-to-date information from the authorities.

PREVENTIVE MEASURES AGAINST COVID - 19

Temperature Check

Bus Attendants will conduct temperature check of each student before boarding the bus. Anyone having a temperature $\geq 37.5^{\circ}$ C will not be allowed to board the bus. Therefore we recommend parents to check the temperature before sending off for the school bus.

Face Mask

All bus riders, with the exception of children younger than 6 years need to wear masks.

PREVENTIVE MEASURES AGAINST COVID - 19

Hand Sanitization

While Maverick Passenger Transport provides hand sanitizers across all the buses, it is also recommended for each student to carry their own hand sanitizer - encouraging and making sure that everyone practices hand sanitizing before boarding, during the journey and before getting off the bus.

Social Distancing

- Students must observe social distancing while boarding, during the trip and when disembarking the bus.
- Students must not change their seats during the journey.
- Observe No Eating, No Sharing, No Handshake, No Hug policy while on board.

PREVENTIVE MEASURES AGAINST COVID - 19

Signages And Posters

Adequate signage will be added inside the bus to guide children.

Buses will operate only at half capacity

Ventilation

Bus Drivers and Bus Attendants are fully trained to ensure proper ventilation by using Air conditioning without recirculating air and keeping windows partially open where climate permits.

PREVENTIVE MEASURES AGAINST COVID - 19

- Daily attendance records are maintained and shared with the school.
- Drivers and Bus Attendants in our fleet are below 60 years old.
- Bus Drivers and Bus Attendants are fully trained to ensure proper ventilation by using Airconditioning without recirculating air and keeping windows partially open where climate permits.
- We always makes sure that the Sanitization and Disinfection Protocols are as per the guidelines of local authorities - Dubai Municipality (DM) / KHDA.
- In case a child begins shows any symptoms of COVID-19 during the journey, the bus attendant will take precautionary measures to isolate the child two meters away from the other children and will immediately inform the health and safety in-charge in the school. The bus attendant will then follow the rest of the protocols and guidelines as per KHDA.

STAY SAFE. STAY WELL.
